

# Hearing in Children

Sixth Edition (2014)

Jerry L. Northern, PhD and Marion P. Downs, DHS

*All royalties from sales of Hearing in Children (6th Edition) will be donated to The Colorado Hearing Foundation for the benefit of children with hearing loss.*

In this completely updated sixth edition, *Hearing in Children* thoroughly examines the current knowledge of pediatric audiology, and provides a medical perspective on the identification, diagnosis, and management of hearing loss in children. This enduring text has been the chief pediatric hearing resource used worldwide by audiologists for nearly 40 years.
